Re: *US v. Lael Young*
Dkt. #20 cr 391
Clarification of Release Conditions

Ronnie Abrams, U.S.D.J.
May 29, 2024

Dear Judge Abrams:

I was contacted by Pre-Trial Services Officer Dominique Jackson, who indicated that despite Mr. Lael Young presenting a valid medical marijuana card, which was presented to his prior pre-trial services officer, she objects to his use of marijuana unless the court authorizes such use. I have contacted the government and they have indicated that they take no position with regard to his marijuana usage with a medical marijuana card.

I have also reviewed the February 8, 2023 Official New York State Medical Cannabis Patient Certification, which was signed by Dr. Kenneth Weinberg and confirms that his marijuana prescription was authorized by a licensed medical practitioner.

Based upon the foregoing, Mr. Young is requesting permission to possess and use marijuana as prescribed by his licensed medical practitioner. Thank you for your thoughtful consideration.

Sincerely,
